

## VIP Package

This is a brief summary of what I am able to provide:

- Tailor-made exercise programmes which are designed to meet your son's or daughter's individual needs.
- Exercises include: strengthening exercises, balance and coordination, flexibility, core stability, reaction drills, motor planning, plyometric training, functional movements, agility training, kick-boxing
- Holistic mentoring, focusing on mental well-being and resilience, sharing moments of success together
- Emotional support and companionship, versatile activities, e.g. ski companion, hiking etc.
- Proficient in English and German, my wife is Spanish (SEN teacher and certified Attention Autism Practitioner)

Prices: Negotiable according to country and duration of visit.
